PREFACE TO THE THIRD EDITION.

THIS edition of "SHETLAND AND ITS INHABITANTS" is intended to be a Complete Guide to the Tourist visiting these interesting Islands, and has been carefully revised and corrected to the present date.

The Medical Thesis and other information contained in the first part of the two former editions has not been republished in the present work, being considered unnecessary, and of little interest to the majority of readers.

ABERDEEN, *Nov.*, 1879.
