ADVERTISEMENT.

ANY profit that may arise from the publication of the accompanying volume of Lectures will, through the kindness and liberality of the highly esteemed Clergymen by whom they were preached, be devoted to the National and Infant Schools of the District.

I cannot forbear availing myself of the present opportunity of expressing my thanks to those Brethren in the Ministry, who so kindly consented to take a part in the Course of Lectures which is now given to the public, and of adding the conviction that their labors have not been in vain.

W. H. HOWARD,

Incumbent of Christ Church, Chelsea.
