Rates fixed by competition . . . . .	56
Competition between railways and the sea . . . . .	56
Import, export, and transit rates . . . . .	56
Rates between port and port . . . . .	57
Rates fixed by the competition of ports . . . . .	58

## CONTENTS.

vii

	PAGE
Nature of the grievance . . . . .	58
Not a sentimental grievance . . . . .	59
The State only can remedy it . . . . .	59
Injustice of confiscating railway profits . . . . .	59
Rates fixed by competition between companies . . . . .	60
No effective competition between different lines . . . . .	61
Competitive lines often a disadvantage . . . . .	61
Rates fixed by the companies . . . . .	62
"What the traffic will bear" . . . . .	62
Mileage rates and cost of service rates . . . . .	63
Differential rates . . . . .	63
Manner of fixing rates . . . . .	64
Alleged co-operation between traders and companies . . . . .	65
Rates not adapted to circumstances of trade . . . . .	66
Meaning of "What the traffic will bear" . . . . .	67
Dangerous power in hands of companies . . . . .	68
Companies dictate their own terms . . . . .	69
Alleged identity of interest between companies and public . . . . .	70
The companies powerless to find the best rate . . . . .	70
Mr. Grierson's illustration of their position . . . . .	71
The kind of reduction which would benefit trade . . . . .	73
Lessons of the Post Office . . . . .	73
The case of agriculture . . . . .	74
Dividends at home and abroad . . . . .	76
Railway investments compared with others . . . . .	77
Dividends no ground for an attack on railways . . . . .	78
A large transport tax economically bad . . . . .	79
A struggle between two principles . . . . .	79
State aid to railways . . . . .	80
Remedies . . . . .	81
Proposals of the companies . . . . .	82
The Government Bill . . . . .	82
The essence of the Bill . . . . .	84
Poor prospects of adequate reform . . . . .	84
State purchase the only true remedy . . . . .	85
Common objections to State railways . . . . .	85
The people and officialism . . . . .	87
Policy of Government taxation . . . . .	88
Objections to social legislation . . . . .	90
Favourable position of England for administering railways . . . . .	92
The Government policy in fixing rates . . . . .	92
Advantages of a universal rate . . . . .	94
Practicability of rates irrespective of distance . . . . .	94
Justice of a fixed universal rate . . . . .	96

	PAGE
More information wanted . . . . .	96
Favourable situation of England for trying experiment . . . . .	98
Volume of traffic . . . . .	99
Classification . . . . .	101
Purchasing power . . . . .	102
National debts . . . . .	103
Capacity of the country to purchase . . . . .	105

## STATE PURCHASE OF RAILWAYS.

*(Reprinted from the FORTNIGHTLY REVIEW, June, 1886.)*

### I.—THE PROBLEM.

Mundella's Railway Bill (1886) . . . . .	108
Principle of the Bill . . . . .	109
Confiscation of dividends . . . . .	109
