**HISTORICAL SKETCHES,
NUMBER ONE: THE
HOUSE OF LORDS**

PUBLISHERS' NOTE

No current social or political question can be rightly understood without an accurate knowledge of the main outline of its history. An unbiased statement of that history can as a rule be found only in expensive works whose very length forbids their study by the busy man of affairs. It is the object of this series to place within easy reach these historic facts which must form the basis of all sound opinion.
