PREFACE.

THIS little book presents not a theory but a practice. For years its general method has been used in the author's class room with results satisfactory to the students, and gratifying to himself.

In a brief form it has been presented before Sunday-school institutes, and other like assemblies in various parts of the northwest. It is published at the earnest request of many who thus heard it. It is the sincere hope of the author that it may help others to begin to understand Him, whom to know aright is life everlasting.

BLESSED Lord, who hast caused all holy Scriptures to be written for our learning ; Grant that we may in such wise hear them, read, mark, learn, and inwardly digest them, that by patience, and comfort of thy holy Word, we may embrace, and ever hold fast the blessed hope of everlasting life, which thou hast given us in our Saviour Jesus Christ.
Amen.
