"NO equally comprehensive compendium of present day Christian ideals and methods, nor any equally adequate statement of the current religious needs of the country has previously been put forth from any source. Every Christian intelligently concerned for the effective adjustment of the Church to the obligations of the present hour should by all means avail himself of the information and inspiration so compactly crowded into this modest set of books." *From The Continent*

"THE men of the Church will find these books of inestimable value. Not until the Church shall have taken many a heroic stride will they be laid aside as outgrown. Perfectly printed and beautifully bound, as the set is, I am proud of it as well as grateful for it."

REV. C. C. ALBERTSON, D. D.
Pastor Lafayette Presb. Church, Brooklyn, N. Y.

"THEIR production is probably the most important single event in the life of Protestant America during the past decade."

W. T. ELLIS,
Swarthmore, Pa.

"HERE is a forceful message to men. A straightforward, honest, earnest appeal to nobility of life. Such books not only win our admiration but our souls." *The Baptist Teacher.*

"THEY are a source of inspiration in the task that is set before me of bringing some new visions to the country church."

CLAIR S. ADAMS, FIELD ASST.,
Presbyterian Board of Home Missions.
