## PREFACE

---

This compilation is made under and by virtue of the authority of an act of the Legislative Assembly of this State, of the session of 1899, and a joint resolution of the Legislative Assembly of 1913. The act referred to provides that the Superintendent of Public Instruction shall annotate and compile the school laws and that said compilation shall include all blank forms necessary to secure a uniformity of system in the administration of the schools throughout the State. This compilation embraces all the statutes now in force, which in any way affect the public school system; a summary of the decisions of the Supreme Court of Oregon, and the most important decisions of the Attorney-General upon the school laws; the rules and regulations of the State Board of Education, suggestions for the use of school officers, and plans for rural school buildings.

The law relating to the State schools is omitted in order to make this volume a more convenient size. Full information relative to these schools may be obtained from their respective catalogues, which will be sent upon application by the president of each school. Address, President J. H. Ackerman, of the State Normal School, Monmouth; President W. J. Kerr, of the Oregon Agricultural College, Corvallis, and President P. L. Campbell, of the University of Oregon, Eugene.

## AUTHORITY FOR THIS COMPILATION.

The Superintendent of Public Instruction shall annotate and compile all school laws ordered published by the State Board of Education; and said compilation shall include all blank forms necessary to secure a uniformity of system in the administration of the school laws throughout the State. [L. O. L. § 3946.]
