PREFACE.

THE present Work has been written with no political object, but simply with a view to record the Author's impressions of a country which he has recently visited, under circumstances of no little interest at the present moment, and to satisfy in some measure the curiosity naturally felt by the British Public, with regard to all events connected with the scenes of the War in the East.

London, September, 1854.

CONTENTS.

CHAPTER I.

	PAGE
