PREFATORY NOTE.

THIS volume is made up of addresses relating to higher education, delivered at different times before assemblies of teachers and students. The writer is under obligation to the publishers of the Popular Science Monthly, the Forum, and the Occidental Medical Times for the permission to reprint articles which have appeared in these periodicals. The article on "The Evolution of the College Curriculum," first published in "Science Sketches," is here reprinted by consent of A. C. McClurg & Co., and that on "The Higher Education of Women" is reprinted by consent of the Irving Syndicate. Most of the articles have been freely retouched since their original publication.

PALO ALTO, CAL., May 14, 1896.
