To  
MY MOTHER AND DEAREST FRIEND  
both of whom  
have recently left the planet on a long expected  
and much needed journey for  
REST, RECREATION AND STUDY.

Mrs. Albert Hamerton

"A great etching is the product of a grandly constituted mind; every stroke of it has value exactly proportionate to the mental capacity of the artist. . . . I know not how many roses are needed for one small phial of precious attar, but I know that there rises from every good etching such a perfume of concentrated thought that a million flowers must have bloomed for it in the garden of some fertile and cultivated mind."—*Philip Gilbert Hamerton.*

"Know ye what etching is?

'Tis Homer in a nutshell, ten commandments  
Writ on a penny's surface; 'tis a wish,  
A sigh, comprised in finely-chiseled odes,  
A little image in its bird's-flight caught."

—*C. Vosmaer.*
