SECOND EDITION

“THE ROBB'S ISLAND WRECK
AND OTHER STORIES”

BY THE SAME AUTHOR.

(With a Portrait Sketch by Castaine.)

Since the publication of the first edition of these stories, Cobb's Island has been wrecked by the encroachments of the ocean. What was for a century a great hunting and health resort, with hotels, cottages, a church, and a life-saving station, is now wave-swept and desolate.

In addition to "The Robb's Island Wreck" there are seven stories in the collection.

"No more entertaining companion can be desired than this bundle of simple tales. It fulfills all the requirements of a vacation book; it is light, humorous and clever; well-written."—*The Critic*.

"We commend it to the lovers of good fiction."—*The Independent*.

"There are wholesome rounds of laughter lurking all through the pages."—*Literary Weekly*.

"Exceptionally bright, well-told tales, enjoyable to read and pleasant to remember."—*Hartford Courant*.

"The stories are capital."—*Boston Advertiser*.

"A main quality is their naturalness; they are told with a pleasant humor and with no straining for effect, and they are genuinely American."—*Review of Reviews*.

"Pleasing in style, clean in humor, and brimful of good cheer."—*St. Louis Post-Dispatch*.

"From a peculiarly American point of view and written in a brisk and telling way."—*New York Times*.

"There is a distinct quality about these stories."—*Literary World*.

"Delightfully American."—*San Francisco Chronicle*.

"Has succeeded where it is very difficult to be successful; it is American life throughout."—*Baltimore Sun*.

"Much vigor and directness of aim."—*The Nation*.

"The Robb's Island Wreck and Other Stories" and "Some of Our People", uniform in style and binding, \$1.00 each, or both in a box, \$2.00.
