WHEREIN WILL BE FOUND A RECITAL OF THE MANY EVENTFUL EVENTS WHICH TRANSPIRED IN ENGLAND FROM THE DRUIDS TO HENRY VIII. THE AUTHOR DOES NOT FEEL IT INCUMBENT ON HIM TO PRESERVE MORE THAN THE DATES AND FACTS, AND THESE ARE CORRECT, BUT THE LIGHTS AND SHADES OF THE VARIOUS PICTURES AND THE ORNAMENTAL WORDS FURNISHED TO ADORN THE CHARACTERS AND EVENTS ARE THE SOLE INVENTION OF THIS HISTORIAN.

King Richard traveling incog. through Germany

## PREFACE.

---

THE readers of this volume will share our regret that the preface cannot be written by Mr. Nye, who would have introduced his volume with a characteristically appropriate and humorous foreword in perfect harmony with the succeeding narrative.

We need only say that this work is in the author's best vein, and will prove not only amusing, but instructive as well; for the events, successions, dates, etc., are correct, and the trend of actual facts is adhered to. Of course, these facts are "embellished," as Mr. Nye would say, by his fancy, and the leading historical characters are made to play in fantastic *rôles*. Underneath all, however, a shrewd knowledge of human nature is betrayed, which unmasks motives and reveals the true inwardness of men and events with a humorous fidelity.

The unfortunate illness to which Mr. Nye finally succumbed prevented the completion of his history beyond the marriage of Henry VIII. to Anne Boleyn.

## TABLE OF CONTENTS.

---
