*“Whenever the elementary body is at rest, asleep, or unconscious the sidereal body is awake and active . . . There are some . . . whose souls are so exalted that they can approach the highest spiritual spheres at a time when their bodies are asleep . . . The greatest mysteries are thus laid open to the perception . . . and we may be enabled to see the *Mysteria Dei* . . . and such things have happened not only to Christians, but also to the heathens, to Jews, Saracens, Mamelukes, Persians and Egyptians.”*
