To Regimental Agents.

Horse Guards, 20th April, 1836.

I HAVE it in command to notify to you, for the information and guidance of the Colonels of the several Regiments of Infantry in your agency, that, with a view of ensuring due uniformity, and obviating in future much irregularity, which it is stated has occurred, it is intended that a sealed Staff Serjeant's Shoulder Strap shall invariably accompany the annual supply of clothing to each Regiment.

Approved Patterns of the Shoulder Straps, for the Staff Serjeants of Infantry, (including Highland and Fusilier Regiments,) have been sealed and deposited at the Office of the Military Boards, for the purpose of regulating all future supplies.

I have, &c.
