"THE LIVING CHURCH" SERIES

Edited by
Professor JOHN E. McFADYEN, D.D.

United Free Church College, Glasgow.

Crown 8vo, cloth boards, 6s. net per volume.

IT has of late become the fashion to belittle the Church as of negligible importance in the affairs of the great world. Those alike who love and who deride her often little understand how great has been her influence in the past, and how much she has done, in many departments of thought and activity, for the higher life of the world. The aim of *The Living Church* Series is partly historical, partly practical: it is to help people to realize what a tremendous factor the Church has been in history, and to show how in fresh forms the old needs, problems, and tasks are perpetually re-emerging—in short, to stimulate a fresh appreciation of the Church and to quicken faith in her power to affect the future as she has affected the past.
