## P R E F A C E.

A FEW of the following poems having occasionally appeared in print, and apparently been appreciated, I have been requested to publish them in a collected form.

I yield to this request not without some misgivings, as many of the pieces were composed in early youth, while others were written during intervals of time snatched amidst the cares of conducting a large business.

Many imperfections may consequently be discovered, but I trust they will be pardoned by the indulgent reader.

To my numerous subscribers I tender my best thanks. Their encouragement will for ever be remembered with gratitude by

THE AUTHOR.
