## AUTHOR'S NOTICE.

THE greater number of the Meditations contained in the present volume were published several years ago in the *Messenger of the Sacred Heart*, when that periodical was edited by the late Father Maher. The desire was expressed by many that the Meditations should be published in a separate form, but this wish remained, from circumstances, for a long time uncomplished. It is hoped, however, that the delay will not cause them to be less favourably received than formerly, and that the friends of the Sacred Heart will find in them still something wherewith to nourish their piety and to stimulate their devotion to the Hidden Life of our Lord.
