To abandon these spiritual phenomena to credulity, is to commit a treason against human reason. Nevertheless, we see them always rejected and always reappearing. They date not their advent from yesterday.

VICTOR HUGO.

PREFACE.

WRITTEN at intervals from the pressure of business, and at times that should have been devoted to recreation, these pages make no claim to artistic arrangement or literary merit. If they enable any one to arrive at a clearer and better appreciation of the wonderful phenomena of which they treat, they will have accomplished all that was intended.
