MADAME SAND

A BIOGRAPHICAL COMEDY

Foreword by Mrs. Fiske

Introduction by Arthur Hopkins

Madame Sand has been generally acknowledged to be one of the finest achievements of Mrs. Fiske, America's most distinguished actress.

"The lines are brilliant and their literary quality is such as to inspire the hope that Mr. Moeller's work may be published in a form that will guarantee it a more permanent place than the stage of to-day can promise. There are few dramatic compositions that the public is privileged to see during these times that have the real value possessed by the work of this young playwright."—*The Baltimore Star*.

"One of the most satisfying portraits of famous persons in the history of the stage. . . . A witty, stimulating play. One of those oases in the theatrical desert that send you out of the theatre exhilarated. A play that one will enjoy long after it is over, whose lines you recall with a chuckle, and whose scenes you live over again with rare zest."—*Louis Sherwin in The New York Globe*.

"His play is throughout a notable achievement, and as successful an experiment in the field of artificial comedy as any American author has put to his credit."—*The New York Sun*.
