PREFACE

THE first two chapters of this book were given in substance as the opening address of the Third International Congregational Council at Edinburgh in July 1908.

The third was really an undelivered section of the first, and it appeared in the *Hibbert Journal* for April 1909. It is here by the kind permission of the Editor.

And the fourth appeared in an unfinished form in the *Expositor* for September 1908.

All are much revised, amended and expanded.
