FOREWORD.

For a long time we have realized the pressing need of a catalogue of general Catholic literature, one that would contain the books of all the Catholic publishers, as well as those obtainable from other sources. It seems to us opportune that such a catalogue should be forthcoming, especially at this time, when movements for more extended reading of Catholic literature are general throughout the country. For the purpose of supplying this need, we take pleasure in presenting what we believe to be the most complete catalogue and price-list of general Catholic literature published in the United States. It is not our purpose to include all books by Catholic authors, such as for example, books of merely local interest, or technical books as such, but only those that are of general interest to Catholic readers. In addition, we have included a limited number of books by non-Catholic authors, which by their worth we consider entitled to a place in this list. Such books are designated by the letters (N.C.) near the author's name.

Important! Please read carefully.

Hereafter, early in each year, it is our intention to issue a supplement to this catalogue, containing the books published during the preceding year, as well as a record of those that have passed out of print. Thus those who preserve the catalogue and supplements will possess a complete list of current Catholic literature. On receipt of five cents in stamps we will mail the annual supplement to any address. *Get*, your name on our mailing list.

We shall be pleased to furnish, upon request, information concerning any book in this list, that would be supplied by a descriptive catalogue.

We carry the most complete stock in the United States, and all orders sent us will be filled without unnecessary delay.

☞ The prices in this catalogue are strictly *net*, and do *not* include postage.

☞ In ordering books by mail, add ten per cent. for postage; thus a book marked 50 cents will be sent post-paid for 55 cents, a book marked \$1.00 for \$1.10, and so on.

☞ All books are bound in cloth, unless otherwise specified.

☞ Prices subject to change without notice.

☞ Special terms for Library orders. Get our figures before purchasing elsewhere. It will pay you.

☞ We respectfully solicit your patronage, and guarantee prompt and careful attention.

April 1st, 1910.
