PREFATORY NOTE

In offering this volume on industrial pension systems to the public the undersigned desires to explain that the material was gathered in the course of an investigation of the pension problem made for the Bemis Bro. Bag Company, of which Mr. A. F. Bemis is President, and that it is through their courtesy that the information thus assembled is made available for publication. It should be understood, however, that the Bemis Bro. Bag Company assumes no responsibility either for the accuracy of the results or for any opinions, expressed or implied.
