NOTE

CHAPTERS I, II, III, and IV of this book have already appeared in the *Nineteenth Century and After*. Chapter V is reprinted from the *Westminster Gazette*. I have to express my obligation to the Editors for permission to reprint them in the present form. They are reprinted almost without alteration, and I have not attempted to change them, even in those cases where what was written some months ago would now be expressed rather differently. The Introduction is new.
