***The Transformation of  
Hawaii***

Illustrated, 12mo, cloth, \$1.00.

"It is remarkable that one who has not been on the ground should have attained such a comprehension of the subject as a whole, and such accuracy of detail. I am in a position to judge of these points, having lived there nearly all my life."—Prof. W. D. ALEXANDER, author of "A Brief History of the Hawaiian People."

***Fifty Missionary Stories***

16mo, cloth, net 60c.

"An admirable compilation. There is nothing just like it anywhere. It will be heartily welcomed by those who are called on frequently to make selections of suitable readings for missionary meetings and other such occasions." *Herald & Presbyterian.*

***Select Missionary Readings  
for Missionary Programs***

16mo, cloth, net 60c.

"Appreciating the wealth of thrilling incident to be found in missionary books, and also understanding that generally these are not written in proper form for public readings, Miss Brain has made extremely interesting extracts from missionary volumes. The selections cover all the prominent missionary countries.—*Christian Endeavor World.*
