New York:

D. O. CRAWFORD & CO., No. 62 FULTON STREET.

1882.

U 20017 2, 3

THE University of the City of New York was incorporated in April, 1831; it was opened for the reception of students at Clinton Hall, in October, 1832. The first class, consisting of three students, graduated in 1833. The foundations of the building on Washington Square were laid in July, 1833; and the building was so far completed as to be occupied for purposes of instruction in 1835.

The following Catalogue contains the names of the Members of the Council, the Faculties of the Departments of Arts and Science, and the Alumni of the same from the foundation of the University. The present residences of the Alumni are given as far as they could be obtained. Where these are unknown to the Committee, blanks are left, and where the State is known, but nothing more, the name of the State is preceded by a dash. The *United States Postal Guide* has been regarded as authority in orthography and other postal questions. The records of the Council have been closely followed in the matter of Alumni names, class arrangement, degrees, &c.

Corrections or additions for future catalogues are solicited. Communications may be addressed to the Secretary of the Faculty.
