ACKNOWLEDGMENTS

The Encyclopædia's a weighty book;
Smith's row of dictionaries took
Me long to read at and digest
(If so) from East back East by West:
These, with a history or two,—
Say, Finlay, Grote,— commend to you
I of my stays most warmly do.

Notes: Should mention Robertson,
His India, for 'twas Robertson
Set me about the task here done:
And Bancroft of the Western Coast,
And others pointed as they almost:
Starting with Babylon, long time ago,
And ending where — none seems to know.
