THE EVOLUTION OF NEW JAPAN

BY

JOSEPH H. LONGFORD

Late H.M. Consul at Nagasaki;
Professor of Japanese, King's
College, London

Cambridge:
at the University Press

1913

Cambridge :

PRINTED BY JOHN CLAY, M.A.
AT THE UNIVERSITY PRESS

With the exception of the coat of arms at the foot, the design on the title page is a reproduction of one used by the earliest known Cambridge printer, John Siberch, 1521

PREFACE

THIS little book has at least one original feature. It is, to the best of the author's knowledge, the first book on Japan which has ever been issued at the price of one shilling. Surely, this will commend it to readers and bookbuyers, even if it exposes no more than the skeleton of the modern history of a people who are both our allies and our good customers (as well as our rivals) in trade, and who can now give us valuable lessons of patriotic courage, sacrifice, and perseverance in return for all we have taught them.

J. H. L.

August, 1913.
