TO THE YOUTH OF THE LAND
WHO ASPIRE.

I BELIEVE you will find herein the person of
him whom you have never seen, but who
may have been to you already a good genius,
and taken an unshared place.

Take his words to me as what he would
have said to you.

CHARLES J. WOODBURY.

OAKLAND, CALIFORNIA.

NOTE TO THE ENGLISH
EDITION.

As it was from the youth of England, in those forepassed years whose generation will remember him, that Mr. Emerson received what he regarded the choicest compliment of his life, there is propriety in conveying to them this narration of the manner of man he was. Moreover, perspective may correct chromatic tendencies in a lens subject to aberration on account of the tender and tranquil fervour with which we regard his undiminished name, and which is quite the same on the confines of this farther sea as on his own Atlantic.

Rectorship of Glasgow University.)
