"Mr. AKERMAN'S WILTSHIRE TALES embody most of the provincialisms peculiar to this county and the districts of other counties lying on its northern borders, and possess the additional recommendation of preserving the old songs (and the airs to which they are sung), which are still to be heard at most harvest homes and other merry makings—the well-known 'Here's a health to our meester,' and 'A pie upon the pear-tree top,' among the rest. Both to the philologist, therefore, and to the general reader, the book is an interesting one."—*Salisbury and Winchester Journal*.

YORKSHIRE WORDS AND PHRASES.

"The compiler of a local Glossary should not be like the wandering artist, who frequently takes but a mere outline of an object, and then afterwards fills up the details from recollection, but one who, indigenuous as it were to the spot, loves to feel the full force of those old-fashioned semblances, which, like picturesque scraps of poetry, still linger in the province, and deserve, as far as possible, to be rescued and transmitted."—ANON.

Similar collections have had their proportion of notice in the pages of our periodicals, where the prosecution of the like undertakings in localities hitherto neglected, or only partially gleaned, is recommended.
