VANESSA

25
Should Cell Brix 1770

I thought to have heard from
you in a week according to your
promise but that week consisted
of fourteen days which were
after the first seven very long
long ones ~~some~~ of some I never
expected to have another letter from
you first because I thought you had
quite forgot me and because you
were so very ill that I thought you had
been dead which if I had it would
~~have been both you and I~~
But ever since I received your
letter which was left Friday
I have bin with you all

just that day for night I see you
I have done all that lay in my
power to follow your example
for fear of troubling you but find
I can not defer writing to you
any longer when I received yours
I thought you might have wrote me too
or you tried perhaps you might
but instead of that to find three letters
to one other and that a love letter
how do you think I could suppress it
but upon my word when I see you
I have a vast deal to say to you
about that letter I have asked you
all the questions I could but many
times and don't find them answered
at all to my satisfaction
