INDIAN PROBLEMS

WITH AN INTRODUCTION BY

SIR GEORGE BIRDWOOD, M.D., K.C.I.E., C.S.I., LL.D.

John Murray. Price 7s. 6d. net

"Mr. Mitra deals always with knowledge, sometimes with unusual erudition, and occasionally with a freshness of view that arrests attention. Sir George Birdwood calls Mr. Mitra's pages 'earnestly laboured, accurate, illuminating, and weighty,' praise which is not too high even from such an authority."—*Times*.

"We can heartily recommend."—*Athenæum*.

"Mr. Mitra recognises and exposes our mistakes with a frankness not often found among English-speaking Indians."—*Saturday Review*.

THE POSITION OF WOMEN IN INDIAN LIFE

By HER HIGHNESS THE MAHARANI OF BARODA

AND

S. M. MITRA

Longmans. Price 5s.

"We believe the first book published in this country with the name of an Indian Ruling Chief upon the title-page. . . . The Maharani is to be congratulated upon her praiseworthy desire to give her untravelled Indian sisters the benefit of impressions she has gathered in world-wide wanderings on matters peculiarly affecting the position of women."—*Times*.

"In the nineteen chapters, systematically arranged as they are, it may safely be asserted that every movement, profession, organisation, class of work, in which women have taken part or been admitted to a share throughout the civilised world, has been, with great labour and completeness, passed under review."—*Morning Post*.

"We have nothing but praise for the care and trouble which Mr. Mitra has evidently expended."—*Queen*.

"The reader will find much food for thought."—*Madame*.

"The book is a careful compilation of information in regard to the activities of women in Europe, America, and Japan, and here and there are some extremely interesting sidelights on present conditions in India. Every occupation in which Western women are engaged is described, and most of them, the authors think, could be adapted to India."—*New York Times*.

HINDUPORE

AN ANGLO-INDIAN ROMANCE

By S. M. MITRA

Luzac. Price 6s.

"'Hindupore' reveals many of the deepest things of India hidden from Englishmen, even those who may have passed away half their lives in that country. The chapters on 'Pan-Hinduism,' 'Irish Signs and Hindu Signs,' and 'Hindu-Japanese Affinity,' are instructive and most suggestive; and apart from the attractions 'Hindupore' may have for the readers of romance, it has a political value."—SIR GEORGE BIRDWOOD, M.D., K.C.I.E., C.S.I., LL.D.

"We trust this volume will be widely read in England."—*Daily News.*

"Bright and amusing romance."—*Morning Post.*

"The romance is well and prettily developed."—*Englishman, Calcutta.*

"Mr. Mitra is an Indian writer and teacher of much ability."—*Times Literary Supplement.*

"References to Oriental and Occidental authorities are distributed throughout the volume."—*Athenaeum.*

"The chapters written by Mr. Mitra himself are particularly interesting as contrasting Eastern with Western ideas and methods of mental discipline."—*Scotsman.*

"Contains much information of a highly suggestive nature."—*Nottingham Guardian.*

"Most fascinating volume."—*Field.*

"Delightful volume."—*Ladies' Field.*

"A book of great interest."—*Queen.*

PREFACE

My book "Indian Problems,"* published in 1908, was not only well received by the British Press, but was quoted by Lord Curzon in support of his argument in an important Imperial Debate† in the House of Lords. Among my humble suggestions therein was the granting of the Victoria Cross to members of the Native Indian Army, which was graciously taken into consideration by the King-Emperor, with the result that the much-coveted V.C. in due course came within the reach of my countrymen. That encouraged me to publish, in 1913, my "Anglo-Indian Studies."‡ The late Lord Cromer devoted two chapters of his well-known work "Political and Literary Essays"§ to a highly favourable review of that volume. "Mr. Mitra's thoughtful work," he wrote, "is a
