THE Author begs to state that he prints these Sermons in compliance with the wish of many Members of the University. Immediately after their delivery, he received an address from the resident Bachelors and Undergraduates, headed by the most distinguished names, and numerous signed, requesting their publication. The same request was also made from other quarters. Under these circumstances the Author felt that he had nothing to do, but to regret that the Sermons were not more deserving of the interest thus kindly manifested, and to commit them at once to the press.
