PREFACE TO PART VI.

THREE years and a half have elapsed since the issue of *Political Institutions*—the preceding division of the *Principles of Sociology*. Occupation with other subjects has been one cause of this long delay; but the delay has been in a much greater degree caused by ill health, which has, during much of the interval, negatived even that small amount of daily work which I was previously able to get through.

Two other parts remain to be included in Vol. II—*Professional Institutions* and *Industrial Institutions*. Whether these will be similarly delayed, I cannot of course say. I entertain hopes that they may be more promptly completed; but it is possible, or even probable, that a longer rather than a shorter period will pass before they appear—if they ever appear at all.

Bayswater, October, 1885.
