PREFACE.

THE following addresses were delivered in response to requests made to me from time to time, the text of the discourse being frequently prescribed or, at least, suggested.

I venture to print them in a volume because they bear on questions under debate, and because a previous and much larger collection was well received and left no "remainder" in the Publisher's hands.

S. S. L.

UNIVERSITY OF EDINBURGH,
October, 1888.
