PREFACE.

The most of the subject matter of the following pages has been written in compliance with the command of the holy Angel of God, who dictated his sacred word, comprising the first part of this work, entitled *A SACRED ROLL AND BOOK TO THE NATIONS OF THE EARTH*.

The inspired writers and testators of the word contained in this second part, have consented to the publication of the same, only in compliance with the requirement of God, feeling it a duty to acknowledge his mercy and goodness in this the fourth and last dispensation of his grace to man; yet feeling, on every other consideration, great diffidence in offering their names to public view, desiring a secluded station in life, and a privilege to work out their own salvation by self-denial and the cross.

It is true, they have been greatly privileged with the blessing of God, and made instruments in his hands, to aid in the execution of his work among the children of men, and they claim no greater merit, than the reward which is gained by obedience to his sacred word, with the rest of their gospel companions.

It may be justly due to all, to say, that many of the testimonies are not inserted entire, as it would swell the work more than would be consistent with our present bounds. But it has been the labor of the publishers, to preserve the inspired matter relating to this Sacred Roll and Book in its true spirit and meaning. We wish simply to publish to mankind the word of God as delivered unto us for that purpose, and to connect therewith such testimony, as is required by the Mighty Angel.

There have been many other testimonies received, and now in manuscript, corroborating the truth, reality and authenticity of this sacred Book, and declaring that it is the will of God, that it should go forth to the children of men, written by those who are no less worthy, than those whose testimonies are here published, being faithful wearers and bearers of the yoke and cross of Christ; but for want of room, and as it is not our labor to prove by these the truth and divine origin of this work, they are omitted.

It was judged advisable to select from among them, a portion from several of the different branches of our communion, to represent more forcibly, the unanimity and corresponding relation existing in the Zion of God upon earth.

It may be asserted with truth and confidence, that God has a holy Church on earth, wherein He reigns, and all the living members thereof, are *WITNESSES* to his word and work; though they remain a chosen and secluded people.

We would further state, that it was our original design, to publish the whole of this work in one part entire; but owing to unavoidable circumstances prejudicial to a speedy publication of that portion of the work embraced in this second part, we have been compelled to issue it in two parts.

September, 1843.
