CHRISTIAN SCIENCE VERSUS PANTHEISM

PASTOR'S MESSAGE TO THE MOTHER
CHURCH, ON THE OCCASION OF THE
JUNE COMMUNION, 1898

SUBJECT: Not Pantheism, but Christian Science.

BELOVED brethren, since last you gathered at the feast of our Passover, the winter winds have come and gone; the rushing winds of March have shrieked and hummed their hymns; the frown and smile of April, the laugh of May, have fled; and the roseate blush of joyous June is here and ours.

In unctuous unison with nature, mortals are hoping and working, putting off outgrown, wornout, or soiled garments — the pleasures and pains of sensation and the sackcloth of waiting — for the springtide of Soul. For what a man seeth he hopeth not for, but hopeth for what he hath not seen, and waiteth patiently the appearing thereof. The night is far spent, and day is not distant in the horizon of Truth — even the day when all people shall know and acknowledge one God and one Christianity.
