PREFACE.

IN preparing this book, my aim has been to provide students with a concise analysis of the Elements of Criminal Law and Procedure. To combine accuracy and brevity is always difficult, but I trust that no more inaccuracies will be found than are pardonable in a First Edition.

It is needless to say that I am largely indebted to Archbold's Criminal Practice and Sir James Stephen's Digest of the Criminal Law.

A. M. W.

3, ESSEX COURT, TEMPLE.
