Preface

I HAVE addressed these letters to Somebody in the hope that Somebody will read them.

I make no pretence of having written a book. All I have attempted to do has been to put on paper some recollections of a rather hard life and of a somewhat strenuous career.

The desire to write "Recollections" may be a form of mental malady, but after all there is no reason why a swan should hold the monopoly of chirruping his memoirs when his dissolution becomes imminent.

*Il est un âge dans la vie
Où chaque rêve doit finir,
Un âge où l'âme recueillie
A besoin de se souvenir.*
