Preface to First Edition

The Letters from the Teacher of *The Order of the 15*, in answer to questions from pupils, are of such universal interest to seekers after Wisdom that we consider them far too valuable to be confined merely to the ones to whom they were addressed. Therefore we make available extracts from the more important ones.

With a few exceptions the selection has been confined to those received during the first six months of the work (January to June, 1908). But even these few cover a wide field and deal with a diversity of subjects not dealt with elsewhere in the same frank and common-sense way. Hence they fill a distinct want in occult literature.

The letters are genuine extracts from originals still in possession of the Secretary, but in many cases the Editor has taken the liberty of condensing the spirit of a letter into a simple question.

Fraternally yours,

F. HOMER CURTISS, M. D.

Secretary of the Order.

Preface to the Second Edition

In spite of the fact that the first edition of *Letters From the Teacher* was sold out in less than a year, even second-hand copies being unobtainable, the growth of the Order and the removal of the Center to Los Angeles has delayed the publishing of a second edition until now.

We are happy to present this edition in a greatly improved typographical form; in fact uniform with *The Voice of Isis*, to which it forms a companion volume.

We are continually receiving requests from various parts of the world for Volume II of these *Letters*. Such a volume we were planning to have follow this as soon as we could find the time to select the material from the thousands of letters in our files, but the demand for books dealing directly with Christian Mysticism is so great that we will have to postpone compiling a second volume of *Letters* until our text-books on the philosophy (*The Symbology of Genesis, The Mysticism of Revelation, The Mystic Life of Jesus*, etc.), have been issued.

Fraternally yours,
F. HOMER CURTISS, M. D.,
Secretary of the Order.
