THE
GARDEN
LIBRARY

**DAFFODILS
NARCISSUS
AND HOW TO GROW THEM**

A CENTURY-OLD FIELD OF DAFFODILS.

On the old Laby homestead near Trimon, N. J., the old English trumpet daffodil (*N. Pseudo-Narcissus*) has been growing wild for a hundred years. When completely naturalized, the season of flowering is somewhat earlier than in ordinary garden cultivation and there is always bloom in this field by the 25th of March.
