1894

PREFACE

THESE Essays appeared originally in *The Westminster Gazette*, and have only been so far modified here as is necessary for purposes of volume publication. They aim at being suggestive rather than exhaustive: I shall be satisfied if I have provoked thought without following out each train to a logical conclusion. Most of the Essays are just what they pretend to be—crystallisations into writing of ideas suggested in familiar conversation.

G. A.

HIND HEAD, March 1894.
