THIS short treatise has been written in the hope that it will not only be found useful to the student who is preparing for his examination on that branch of law and practice to which the work relates, but that it will also be of service to the young solicitor while conducting the ordinary duties of a conveyancing practice.

The changes made in the law by the Conveyancing Acts, 1881, 1882, the Settled Land Act, 1882, the Bills of Sale Amendment Act, 1882, the Married Women's Property Act, 1882, and the rules and orders made under these Acts, and the decisions thereon, have been carefully noted.

In the Appendix will be found the Solicitors' Remuneration Act, 1881, and the general order made thereon; also the new Rules under the Fines and Recoveries Act, and sect. 7 of the Conveyancing Act, 1882, and the order as to court fees.
