ACKNOWLEDGMENT

To the many friends whose generous cooperation has made this book possible,—to those who have contributed original material and those who have given permission to reprint matter that has already found favor in other publications,—grateful acknowledgment is extended.

The Reason for Being

Better than men and women, friends
That are dust, though dear in our joy and pain,
Are the books their cunning hands have penned.
For they depart, but the books remain:
Through these they speak to us what was best
In the loving heart and the noble mind:
All their loyal souls possessed
Belongs forever to all mankind!

Richard Henry Stoddard.
