CONTENTS

<i>Chapter</i>		<i>Page</i>
I.	The Great War—Democracy and the Constitution Magnitude and meaning of the war; German intolerance; the policy of non-resistance; consent of the governed; American Constitution not undemocratic; Constitution stabilizes principles and institutions; advantage of written Constitution; development of world relations; effect of war on our future relations; power and responsibility in world affairs; international status for Monroe Doctrine	I
II.	The Powers of the National Government Advantages of representative government; sovereignty and government; Nation the source of power both state and national; internal and external powers; differing views of constitutional construction; Constitution a mandate, not a compact; nature of internal and external powers essentially different, illustrations; internal powers distributed; external powers vested in Nation only; Tenth Amendment; internal powers of general government limited to affirmative grants; external powers limited by prohibitions.	24
III.	The External Powers—Extent and Limitations Elasticity of Constitution; meaning unchanging but application indefinitely flexible; express and implied powers; resulting powers; acquisition of new territory; extra-constitutional not necessarily unconstitutional; views of Supreme Court; alien

	and sedition laws; Chinese exclusion and expulsion; basis of territorial government is national supremacy; insular possessions; views of Ex-Senator Root; doctrine of extension of Constitution <i>ex proprio vigore</i> ; plenary power of Congress over territories and possessions; fundamental rights of inhabitants.	48
IV.	The War Powers—Nature, Basis and Distribution	
	Division between Congress and President; inherent attribute of sovereignty; powers generally in Congress; no war powers in President as such; attach only to office of Commander-in-Chief; growth of executive domination; government of enemy territory; military government after peace; the Philippines; martial law; confined to field of military operations; state enforcement of; suspension of writ of habeas corpus.	70
V.	The War Powers—Extent and Limitations	
	The legal tender cases; war powers substantially unlimited; necessity of such construction; individual rights subordinate to war powers; illustrations; supremacy over state powers; protection of civil rights of men in military service; disorderly houses; espionage act; sedition; disloyal words and acts; conscription; enlarging powers of executive by statute; enumeration and discussion of recent acts of Congress; confiscation, requisition, regulation.	92
VI.	The Treaty-Making Power—General	
	An attribute of sovereignty; never possessed by states severally; an original and exclusive national function; power confirmed rather than created by Constitution; definition of treaty; international compacts not necessarily treaties under the Con-

	stitution; illustrations; authority of Senate to initiate; wisdom of vesting power in Executive and Senate; Senate may amend; necessity of cooperation between President and Senate; arbitration treaties; delegation of power; question of national honor, etc.; treaty as law of the land; not 'scraps of paper'.	vii 116
VII.	The Treaty-Making Power—How Far Limited	
	Limitations imposed by international law; by the Constitution; how far foreign governments must take notice of the Constitution; extent of limitations under Constitution; views of Justice Field; Calhoun's enumeration; examination of these views; power to cede state territory; to deal with matters committed by the Constitution to Congress; aliens and foreign commerce; powers of Congress extended beyond those enumerated, when necessary to enforce treaties; supremacy over state powers; not subject to police powers of state; Nation may enforce whatever it may promise.	141
VIII.	After the War	
	Problems following the war; need of liberal constitutional construction in external affairs; the public defense; perpetual peace a delusion; spiritual preparedness; internationalism and patriotism; material preparedness; vital necessity of military preparedness; militarism; League of Nations to Enforce Peace, its difficulties and dangers; an international court of justice feasible and desirable.	166
