This handsome volume, which has been carefully compiled and revised, presents to the public a true exposition of the principles and policies of the Republican party, as well as an insight into the life, character and public services of its candidates, Theodore Roosevelt, of New York, and Charles Warren Fairbanks, of Indiana.

These addresses are replete with many rhetorical gems of historical fact and political wisdom, which entitle them to rank with the best efforts of our famous statesmen and orators of bygone days.

The volume will prove an invaluable textbook in schools and colleges, and should be placed on file in every library, reading-room and political organization throughout the land.

HENRY KANEGSBURG.
