"ITALIA UNA!" Now the war-cry rang
From Alp to Etna: and her dreams were done,
And she herself had wakened into life,
And stood full armed and free: and all her sons
Knew they were happy to have looked on her,
And felt it beautiful to die for her."

Mrs. HAMILTON KING.

"But Italy, my Italy,
Can it last this gleam?
Can she live and be strong?
Or is it another dream
Like the rest we have dreamed so long?"

E. B. BROWNING.

Revised 1870-1873

NOTE

THESE Lectures were delivered at the Summer Meeting of University Extension Students held in Oxford in August 1889. They are now published at the request of those to whom they were in the first instance addressed. It is obviously impossible to acknowledge fully in the course of a Lecture the obligations which the Lecturer has incurred to those who have traversed parts of the same path. But the names of most of those whose works I have consulted will be found in the Appendix. I take this opportunity of tendering to them my warm acknowledgments for much valuable assistance.
