PREFACE.

THE reader will please take it patiently if he find what has already been printed again printed here. Printing ink now is like sympathetic ink, it becomes as quickly invisible as visible ; wherefore it is good to repeat old thoughts in the newest books. Why should one single good observation or rule be lost because it is imprisoned in some monstrous folio or blown away in some single sheet?—[Preface to "Levana; or, The Doctrine of Education."—JEAN PAUL FRIEDRICH RICHTER.
