SUCCESS

Let those who will, believe the old world Law
That men were born to suffer length on length.
It is a lie! The God within us speaks;
We lift our thoughts and feel a new-born strength.

Our buman life is part of a Great Whole
All life was given to use for truth and right
Each man may claim the freedom of his soul
He is a King, and rules with power and might.

We are the lords of all this lower world; We make the laws by which our life has might; And as the thoughts of freedom forth are burled, We build a world of peace and truth and right.

Ob, man! a kingdom is within your soul!

A king enthroned with sceptre in his hand!

Why slumber on in grief and tears untold?

Awake! God calls you; rise and understand!
