### I.—WHAT THE WINDS BRING.

---

“Which is the wind that brings the cold?”

The north wind, Freddy, and all the snow;  
And the sheep will scamper into the fold  
When the north begins to blow.

“Which is the wind that brings the heat?”

The south wind, Katy; and corn will grow,  
And peaches redden for you to eat,  
When the south begins to blow.

“Which is the wind that brings the rain?”

The east wind, Arty; and farmers know  
That cows come shivering up the lane  
When the east begins to blow.

“Which is the wind that brings the flowers?”

The west wind, Bessie; and soft and low  
The birdies sing in the summer hours  
When the west begins to blow.

I will govern my life and my thoughts as if the whole world were to see one and to read the other.
