BETSEY ANN WHITE (DIDAMA)

**THREE HOLES IN THE
CHIMNEY; OR, A
SCATTERED FAMILY**

[Extract from *Newton Journal.*]

This is not a book founded on facts only, but a book of facts. The happy way the writer has of delineating character—of bringing the reader face to face with the subject brought forward—scenes and persons ever opening forth, interests like a drama, yet with an undercurrent of truthfulness which cannot be mistaken. The physical endurance of the children; the mental agony; the sufferings of the boy George; extremes of cruelty; acts of kindness by characters here given; the stings of conscience in view of dissolution; the peaceful departure of the blessed, all tend to make this work exceedingly interesting and profitable to the young, the old and middle-aged. The chaste language and high Christian tone will commend it to all as a temperance, household book.
